Encouragement from Pastor Kirk

Sitting at my desk I was thinking about the word “fall.” I took my phone and asked Siri, what is the definition of fall? I wasn’t prepared for what came up. Rather than the third season of the year and fruits gathered and leaves falling I got something quite different. A definition for fall came up like: move downward, rapidly and freely without control...to a lower level. Drop to the ground, losing balance. As volunteers you have seen this at times in the ones you so dearly love here. And maybe in our own lives. Then there is the noun: a decline, loss of a city or fortified place, moral descent, the lapse of humankind into a state of sin due to the disobedience of Adam and Eve (didn’t expect this from siri either!) This is referring to the “fall” of man after turning their back on God. I was initially just looking for a definition of the beautiful time of fall or Autumn! But interestingly, it is hard isn’t it to enjoy life after loss or losing our balance? Or after a decline or lapse spiritually due to our disobedience and distant relationship with God? Want to regain your balance? Desire to see the beauty? How does it sound to enjoy an abundant and vibrant life like the beauty of the leaves on a bright fall day? Our solution lies with the Savior. “I have come that YOU may have LIFE and life more ABUNDANT.” Run to Jesus! Don’t run from him. Repent of any sin. Barbara Finand stated, “Wholeness is brokenness owned and thereby healed.” Admit your need for mercy. Receive and believe on the Lord Jesus Christ for forgiveness. Resolve to love and obey the Lord.

“Fall” in love with Jesus,
Pastor Kirk Fairhurst

Planning Ahead

Here are a few dates to keep in mind. It always gets busy around the Holidays. We could use your help!
