Faithful Friends” Volunteer Program

Our Volunteer Program is one filled with people who are true, faithful, reliable, trusted, constant and steady in their affection. They hold true to providing assistance and support to our community.

Our Volunteers are a vital part of our community.

Our Volunteers are friends, family, neighbor, community but most of all they are people with servant hearts.

Our Volunteers make a difference; they are our “Faithful Friends.”

Volunteer Spot-Light

I just wanted to share with you some exciting news about one of our Volunteers from the College of Wooster.

Anna Duke has been with us for the past 3 years. She graduated from the College this year and we will miss her very much! She was an English Major and to complete her degree she had to complete an Independent Study. This project is a research project that every senior works on for the entire year with an advisor in their department. For her project she wanted to combine her love for hearing stories from residents whom she interviewed with her love for writing. She titled her project “Silver Hair and Golden Hearts: Stories of the residents, Caregivers and Staff at West View Healthy Living.

Anna also won a scholarship and was able to donate it to a nonprofit organization. She chose our Activity Department and the money will go towards the Music/Memory Program. We are very excited for her as she just got a job as an Activity Director in her home town. She is very excited for this opportunity and says that because of her time here she has chosen to make it a career.

Congratulations Anna and best of luck!

Dear Volunteers,

Sitting here at my computer today the sun is now shining in my window. There is a sense of newness and life all around me with spring and summer-like temperatures. But that newness of life is also being experienced in my heart. Words can’t express my heartfelt appreciation for the joy the Lord has given me and helping me grow. The journey has not been easy but it was never promised to be. Jesus said, “In this world you will have trouble, but be of good cheer for I have overcome the world.” And Jesus said through his servant James, “Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness…that you may be perfect(mature) and complete, lacking in nothing.”
