

NOVEMBER 2018 EDITION

Hello West View Family!

Thank you to all family members who donated bags of candy for our Harvest Parade! We had a great time and our residents loved seeing the children dressed up in costumes.

Recently our staff had their own costume contests with our residents as their judges. Congratulations to Kaitlin Arwood and Sarah Patterson, our 1st and 2nd place winners as a Hippie Chick/Flower girl and as “Nurse Nightengale”. The Therapy department won the group entry as “Happy Days”. They looked great and really played up to their audience. It was a fun time for all!

November kicks off the Holidays and there will be plenty of holiday themed activities mixed in with our monthly favorites. We have Thanksgiving Bingo, Turkey Ticklers, holiday movies, great crafts and inter-generational activities too. Crafts & Kids will pair our residents with some of our staff’s kiddos and we will also welcome a Cub Scout troop making crafts with our residents.

We are bringing ladies’ fashions to our residents by way of the Bon Worth Store from the Lodi Outlet mall. They will be setting up shop in our chapel (because it’s our biggest room) so all our ladies can shop and make their own choices who most likely don’t get this opportunity to go out as much as they’d like to. Now that’s special!

The Bright Life Players will be presenting “The Best Christmas Pageant Ever” on Saturday, the 24th at 2:00 pm in our chapel. This performance is free. The BLP’s have committed to donating 10% of their public performance’s profits to us as appreciation for the use of our chapel for play practices. So watch for their advertisements for their play and make an evening out of it!

On Saturday, December 1st from 10-3, please plan to attend our Annual Craft & Gift Show at West Hill Baptist Church’s Family Life Center. We will be having our Soup Stravaganza fundraiser from 11-1 to benefit our Life Enrichment Departments. We will have a great variety of vendors to ensure thoughtful and unique gifts for your family and friends for Christmas. FREE giftwrapping will be available to wrap your items and have you one step closer to Christmas Day Readiness!

Thank you for choosing West View and being a part of our family.

Sincerely,

The Life Enrichment Team
