Encouragement from Pastor Kirk

Christmas has always been a special holiday for me. There was a specific point in time when it took on new meaning. For me it was in my teen years when I heard the good news that Jesus Christ came from heaven to earth. That he died for my sins, was buried and rose again. John 1:1,14 states, "In the beginning was the Word, and the Word was with God, and the Word was God...The Word became flesh (incarnation) and made his dwelling among us. We have seen his glory, the glory of the One and Only, who came from the Father, full of grace and truth." Up until that time I never had heard the whole truth or understood it. That Jesus is God. The Son of God. That he has always been. He is the God-man. Fully God and fully man yet without sin. That I was eternally separated from God and without hope unless I turned from my sin while believing (trust/commit) in Christ alone for life in him both now and for eternity. I believed and abandoned myself totally to Him as my Lord and Savior. I believed the facts about Jesus being more than just a man or great teacher. I acknowledged him as the Son of God, who died so that I might live-really live! If you will by personal invitation, ask Jesus to become your Savior from sin, your personal Redeemer and Rescuer, He will come into your life. By grace through faith alone tell Him you are ready to give Him the place of honor and authority in your life today! "He that has the Son has life. He that does not have the Son does not have life." Make sure today! Every day will take on new meaning, not just Christmas!
